RELIGIOUS DIMENSION

Welcome Philip Matthews: Last year our community was shattered as we said farewell to Robynne Malone who was appointed to a chaplaincy role at the Royal Adelaide Hospital. Fortunately, we are now able to announce that we have been able to employ Mr Philip Matthews as our School Chaplain for two days a week. Philip has been working as an ESO for the last few weeks as we have awaited confirmation from the Catholic Archdiocese regarding his appointment. Philip brings an enormous amount of experience to this role including his recent success as the recipient of an Archbishop’s Award. We look forward to Philip connecting with our community, especially our children and assisting with their spiritual, social and emotional wellbeing. Please introduce yourself to Philip and make him feel welcome to St Brigid’s Catholic School.

Sacramental Program: Just a reminder that the Sacramental Program Workshops begin again on Monday June 29 (Donna’s Group) and Thursday July 2 (Michelle’s Group).

LEARNING DIMENSION

Staff Professional Learning: Next Thursday to Sunday, twenty of our teaching staff will be attending a conference in Melbourne entitled ‘Landscapes of Imagination: A conference for enlivening our own imagination and exploring more deeply the curiosity and imagination of children as they connect and interconnect within and between the arts and sciences, reality, fantasy, identity and towards transformation.’ We are grateful for the generosity of staff attending in covering their transport and accommodation costs. This speaks volumes about the commitment of our staff to increase their knowledge and skills in the Reggio inspired approach to learning. We look forward to sharing our new learnings with our children and families when we return next term. Our staff are grateful that our community is able to make arrangements to enable two student free days to be taken next Thursday & Friday.

3 Way Learning Conferences: Mon 3rd August (3.30 – 6.00pm) – Tues 4th August – (3.30 – 8.00pm) Wed 5th August (3.30 – 6.00pm)

In week 3 of next term our staff will be available to discuss the progress and learning goals of our students. Our children and a member of their family are invited to book a time at the following online location: https://sobs.com.au/

The purpose of the 3 Way Learning Conference is to allow our children to continue to develop their language of learning and be able to describe and celebrate areas of growth and identify what they need to continue to refine. It is expected that ALL children will participate in a 3 Way Learning Conference with their teacher and a family member. You are strongly encouraged to support your child’s capabilities by booking a meeting time. Please contact the Front Office staff if you require support in booking a conference timeslot.

Feast of Ss Peter and Paul: On June 29 the Church celebrates the feast day of Ss. Peter & Paul. This Sunday the statue of St Peter will be officially blessed after the 10am Mass at Ss Peter & Paul Catholic Church. Everyone is welcome to join the Parish Community celebrate this special day.

What strikes me about Saints Peter and Paul is that they were also very human. They had also their foibles and limitations. They were not perfect and like all of us they struggled and stumbled and made mistakes in their journey of faith. Paul was stubborn. He was a person who would most of the time do things his way. It was not always easy to work with him because of his overwhelming personality. At times he was too quick in his decisions not giving enough time to reflect seriously about what the consequences of his actions might be. Peter is also well known as having displayed certain weaknesses. He was definitely at a loss what to do and how to react during the passion of Jesus. He left Jesus alone when he was taken away by the soldiers from the garden of Gethsemane and he disassociated himself completely from Jesus during his trial. I find all of this a great consolation because being a saint does not mean that you have to be perfect or to have it always all together. Saints are human people like you and like me who had their own struggles and failures. They made mistakes and yet throughout all of this, they were prepared to hang in with Jesus Christ and the power of His Spirit. (written by Matthew Price Catholic Diocese of Sandhurst)

Indonesian Curriculum: Next Term we extend a warm welcome to Mrs Kim Smith who will replace Mrs Eny Cammiss who is taking six months leave. I trust that you will make Kim feel welcome to our school. She comes highly recommended and we look forward to the positive contribution she will make to St Brigid’s. We also ask for our community to pray for Eny and her Dad as Eny donates one of her kidneys to her father. We look forward to her returning safely to our community in 2016.

ADMINISTRATIVE DIMENSION

School Photographs Wednesday 29th July: Next term on Wednesday 29th July our children will have their annual school photograph taken. Photo envelopes will be distributed next week with your child. Please ensure these are returned prior to our School Photo Day. Children will be expected to wear their full winter uniform including school jumper. Our senior students will wear their 7 Jumper. Please ensure long hair is tied up, jewellery complies with our uniform expectations and no makeup is worn. We ask that you keep photo envelopes in a safe place as each student has their own unique ordering code which can only be redeemed by contacting the photographer.

COMMUNITY DIMENSION

Characteristics of an Effective Family/ School Partnership: Each day as parents, you bring your children into the school and leave them in our care. They are your most precious gift and we have the privilege of having them entrusted into our care. There are many reasons why you chose St. Brigid’s as a school for your children – the foremost, we would hope being that you wish for the best education for your child in a Catholic Christian context. A critical component of education in a Catholic school is about the partnership between families and the school. It is a two way responsibility that we have with you and you with us. We trust that as your child moves through the school their needs are met and they are happy and successful learners. Our partnership with you is vital and like any partnership, there are both successes and challenges but central to our partnership is the wellbeing of your child(ren).

Some of the beliefs we have about the characteristics of an effective partnership include ensuring positive outcomes and the conversations we have with you through deep listening. It also relies on mutual respect, collaboration and cooperation and celebration. There is a need to have a shared understanding, open communication and searching for the common ground while at times agreeing to disagree but ensuring we continue to dialogue through the challenging times.

At St. Brigid’s we value the partnership that you have with us through the commitment you make with your child’s teacher. We acknowledge the tireless hours spent helping with homework, working in class rooms or Parent Team run events. Through this partnership your children also come to understand this commitment that we are making together for their success and wellbeing. They in turn will strengthen their connection to the community of St. Brigid’s.

As part of our Continuous Improvement Framework focus we invite you to make suggestions on how we can improve our partnership. Should you wish to do so, please come and speak with members of the Leadership Team. We welcome and value your input.

For your information we have included a copy of the “Charter for Parents in Catholic Schools SA” prepared by the Federation of Catholic School Parent Communities (SA)

Catholic Schools Music Festival: It is with great pleasure I can announce that Ethan W has been chosen from students around the state, via an audition process, to co-compere a night at the Catholic Schools Music Festival. It is a great honour to be chosen and a testament to Ethan’s abilities in the public speaking arena. Congratulations Ethan, we look forward to seeing you onstage at the Festival Theatre in September.

Our CSMF Choir attended our Hub Assessment at Our Lady of Hope, Greenwith. This a time that they are assessed on their progress in learning the songs for the festival and gives the choir an opportunity to sing with students from other schools. I am very proud of our 14 choir students, they have grown immensely in the last 6 months and their behaviour was impeccable.

Concert: Please note that we have a Whole School Concert next term. It will take place in Week 8, term 3 on Thursday the 10th November. The Theme is ‘Tell Me a Story ….’ Please put the date in your calendar and keep posted for more details to follow early next term.

Instrumental Students: Instrumental Reports went out this week with classroom reports. I had the pleasure of reading all of the reports and I am very proud of all our budding instrumentalists. Thanks go to the instrumental teachers and admin staff for their support with the reports process. As we come to the end of Term 2 we say goodbye to our Piano and Woodwind Teacher Katherine Trevilyan. We wish her all the best on her future endeavours. We are currently interviewing teachers for the Piano and woodwind positions and will let parents know who will be filling the roles as soon as practicable.

Kind Regards and God Bless,
Megan Isaacson
Congratulations to Kayla, Jessica, Chelsea and Madi for making the Girls SAPSASA Soccer Team.

They are competing this week against other districts.
